

## New Beginnings Schools Foundation Academic Programs

Student achievement measures the amount of academic content a student learns in a determined amount of time. Each grade level has learning goals or instructional standards that educators are required to teach. Academic standards are the benchmarks of quality and excellence in education such as the rigor of curricula and the difficulty of examinations. New Beginnings Schools Foundation has chosen excellent standards based curricula and programs to advance student achievement.

**Tier 3** [Intensive Interventions and Comprehensive Evaluation](#)

**Tier 2** [Targeted In- Class Interventions](#)

**Tier 1** [High-Quality Classroom Instruction, Screening, and Group Interventions](#)
