Re: Rescind RFP

Dear Prosper,

This letter serves as confirmation that New Beginnings Schools Foundation (NBSF) has rescinded the request for fire monitoring and testing proposal released on April 17, 2017. NBSF is reassessing the current needs of our school sites. We will notify you directly if a future request for fire monitoring and testing services proposal is necessary.

Please do not hesitate to contact me if you have any questions or wish to discuss this matter further. Thank you for your interest in servicing NBSF.

With Kindest Regards,

Michelle Blouin-Williams
